The plan is affordable and offers benefits for covered losses that include bodily injury, occupational sickness or disease, and cumulative trauma. Employers Liability Coverage is available on the Texas Occupational Shield "TOS".

Commercial follow form Excess Liability is also available

We can provide Excess Limits of Liability above your primary Commercial Auto, Commercial General Liability and coverage provided by the Texas Occupational Shield. All of which is written in a single policy form that dovetails with the underlying primary liability coverage.

The Importance of Occupational Loss Coverage

Companies today have a growing number of employees who are exposed to occupational hazards and/or who travel as a part of their jobs. In Texas, where Workers' Compensation is not mandated, many employers have elected to "opt out" or have rejected the Act. Some employers have elected to forgo insurance, but they may face financial disaster if a work-related catastrophe results in death or serious injury to a number of employees.

This brochure is for illustrative purposes only and is not a contract. It is intended to provide a general overview of the services described. Please remember that only the insurance policy can give actual terms, coverage, amounts, conditions and exclusions.

THIS IS NOT A DESCRIPTION OF WORKERS' COMPENSATION INSURANCE. THE EMPLOYER DOES NOT BECOME A SUBSCRIBER TO THE WORKERS' COMPENSATION SYSTEM BY PURCHASING THE POLICY DESCRIBED IN THIS BROCHURE, AND IF THE EMPLOYER IS A NON-SUBSCRIBER, THE EMPLOYER LOSES THOSE BENEFITS WHICH WOULD OTHERWISE ACCRUE UNDER THE WORKERS' COMPENSATION LAWS. THE EMPLOYER MUST COMPLY WITH THE WORKERS' COMPENSATION LAW AS IT PERTAINS TO NON-SUBSCRIBERS AND THE REQUIRED NOTIFICATIONS THAT MUST BE FILED AND POSTED.
